Dear Sturgis Families,

This morning, I met with our COVID-related steering committee. During our meeting, we analyzed a variety of local and state data for important COVID metrics, and noted areas of improvement.

Their unanimous recommendation was that we return to hybrid learning beginning Monday. After reflecting on the reasoning presented in that discussion, I am sharing with you that we will return to our hybrid learning model beginning Monday, January 25th. This includes both normal school programming and co-curricular programming. Please note that this means we will return to our [hybrid learning daily period schedule](#).

Please continue to use the absence reporting form to notify the school nurses if your child is not feeling well. Also, please note that next week is the last week of the second quarter, and our students remain in their second quarter cohorts. Our third quarter begins Monday, February 1st.

Thank you for your understanding.

Sincerely,

Paul Marble
Executive Director
