Dear Sturgis Families,

With the rapid increase of Covid-19 cases in Barnstable County, and with Sturgis transitioning to fully remote this week, we wanted to reach out and remind you of a few things.

It is of vital importance that we are aware of all students experiencing symptoms even while remote so we are able to understand the impact Covid-19 is having on the Sturgis community. If your child, or someone in their household, is having symptoms of COVID-19, or has been designated a close contact of a positive COVID-19 case, please notify the school by reporting this on the attendance reporting form. Please continue to use the attendance form if your child will be absent, tardy, or dismissed from remote learning. Here is the link to the attendance form:

West: <https://forms.gle/7RhDWr6NPKt5VQud6>

East: <https://forms.gle/6Csz6X3mbGvhJn839>

Covid symptoms:

- Fever of 100.0 or higher, chills, or shaking chills
- Cough (not due to other known cause, such as chronic cough)
- Difficulty breathing or shortness of breath
- New loss of taste or smell
- Sore throat
- Headache *when in combination with other symptoms
- Muscle aches or body aches
- Nausea, vomiting, or diarrhea
- Fatigue *when in combination with other symptoms
- Nasal congestion or runny nose *(not due to other known causes, such as allergies) when in combination with other symptoms

Sturgis Charter Public School
An International Baccalaureate World School

If you report an illness on the attendance form please check your email as one of the school nurses will contact you with important information in regard to next steps.

During remote learning, the best way to communicate with the school nurses will be via email as we are not in the office and are unable to check out messages. Keep in mind it will take longer for the nurses to respond to voicemail and fax during remote learning.

Kind regards,

Elizabeth Robsham, RN
Sturgis East School Nurse
508-778-1782 ext. 225
