Dear Sturgis Families,

After Governor Baker's recent announcement of changing mask guidelines, the Department of Elementary and Secondary Education published a new related advisory. Effective immediately, Sturgis will follow DESE's updated guidelines as listed below:

- All students and adults must (continue to) wear masks while in our school buildings.
- Students should continue to sanitize their hands when entering the building and each class room.
- Students do not need to be masked when outdoors (such as during lunch or a class activity taking place outside of the school building).
- Student-athletes playing sports outdoors do not need to be masked.

Sincerely,

Paul Marble
Executive Director
