Grade 11 Parents

The College Board electronically released PSAT scores on Monday, 12/6. Please note this means students will NOT be receiving paper copies of their scores this year. On Friday December 3, they were all given their original test booklet back as well as instructions on how to access, interpret and plan using their report from the College Board. This information was also posted to our Grade 11 Google Classroom and you can find it through [this link](#) as well. Please call your child's school counselor with any questions you may have.

Please consider sending your student with some back-up masks in her/his backpack. Many times, students find they need a new mask after lunch.
