Dear Sturgis Families,

I am honored to share that *U.S. News and World Report's* [2022 public high school rankings](#) identify Sturgis as the #3 public high school in the state, #164 in the country, and #40 charter public school nationwide!

In addition, the soon-to-be-released [Jay Mathews' Challenge Index](#) (the evolution of what once was the *Newsweek* and *Washington Post* rankings) places Sturgis #162 in the country. This index includes both private and public high schools, meaning Sturgis ranks even higher amongst public high schools in this index than with *U.S. News*!

These rankings recognize and reflect our staff, students, parents, and trustees' commitment to our mission of *IB For All*. This year's rankings are especially well-earned, I find, as they are testament to the extraordinary work and dedication of our entire community throughout the pandemic.

Congratulations!!!!

Sincerely,

Paul Marble
Executive Director
