Introduction to the School

<i>Name of School: Sturgis Charter Public School</i>			
Type of Charter (Commonwealth or Horace Mann)	Commonwealth	Location	Hyannis, MA
Regional or Non-Regional	Regional	Districts in Region	Barnstable, Bourne, Carver, Dennis-Yarmouth, Falmouth, Mashpee, Monomoy, Nauset, Plymouth, Provincetown, Sandwich, Wareham
Year Opened	1998	Year(s) Renewed	2003, 2008, 2013, 2018
Maximum Enrollment	850 at 2 campuses 425 at Sturgis West & 425 at Sturgis East	Current Enrollment as of June 1, 2021	846
Chartered Grade Span	9-12	Current Grade Span	9-12
# of Instructional Days per School Year (as stated in the charter)	180		
# of Instructional Days during the 2020-2021 school year	In-person: 116 Remote: 57	Students on 2020-21 Waitlist as of June 1, 2021	287
School Hours	8:20 a.m.—3:10 p.m.	Age of School	23 years

Mission Statement: Sturgis Charter Public School is dedicated to an “International Baccalaureate (IB) for All” philosophy, preparing high school students for higher education in a supportive learning environment. Sturgis provides each student a rigorous world-class educational program, encouraging academic achievement, intellectual confidence, and personal growth.

Letter from the Chair of the Board of Trustees: Not Provided

Network Requirements: Not Applicable

School Performance and Program Implementation

Faithfulness to Terms of Charter

Mission and Key Design Elements

Mission Statement:

Sturgis offers Cape Cod students an intellectually rigorous education in the traditional liberal arts and sciences. Basic to the school's charter is membership in the International Baccalaureate Organization, a worldwide curriculum and examination system which offers students in member schools an opportunity to earn an IB Diploma or to earn certificates in individual IB courses. In order to earn the Diploma, students must take a wide range of academic courses, pass examinations and other assessments in these courses as well as participate in service to the community, be involved in creative and athletic endeavors, and write an extended essay. Currently, more than 5,000 schools in 156 countries are IB World Schools.

Our charter is unequivocal about the school's commitment to our curriculum and goals for instruction. Sturgis, it says, will offer students "...an intellectually rigorous education in the tradition of the liberal arts and sciences, a course of study aimed at independence of thought and generosity of spirit." The Sturgis curriculum is based upon the premise of "International Baccalaureate for All". Thus, all courses in grades 11 and 12 are IB courses, and all courses in grades 9 and 10 are IB prep. Accordingly, all students are required to take and pass four years of each of the core disciplines: English, history, mathematics, and science. In addition, Sturgis requires six years of foreign language, including two years of the language Latin and at least 4 years in one of the languages. Two years of the arts are required in the first two years. Required electives in the last two years give students the opportunity to take additional course work in foreign language, history, science, mathematics, music, art, and theater arts.

Instruction is designed to challenge all students to think independently, to express their thinking effectively in both speaking and writing, to learn from productive participation in small group interaction and problem solving, and to take responsibility for everyone's learning in their classrooms by thoughtfully listening and responding to others' ideas. Writing, both in and out of class, is used extensively as a vehicle for exploring and clarifying ideas as well as demonstrating the quality of understanding. Individual and group projects provide further opportunities for students to demonstrate the creativity and independence of thought we prize so highly. Evidence of the success of these efforts is reflected in our MCAS and IB results. Our commitment to educating

the entire person is expressed in our requirement of participation for all IB Diploma students in athletics or action activities, a creative endeavor, and service to the school and/or community.

For specific evidence of successful implementation of the school's mission and key design elements, please review the section entitled Appendix A: Accountability Plan Objectives and Measures on p. 19.

Key Design Elements:

- Offering an International Baccalaureate (IB) for All coursework experience for all students
- College preparations and readiness (mission statement)
- Students focus on developing the traits in the IB Learner Profile

Amendments to the Charter: Not Applicable

Access and Equity:

The most recent available data (<http://profiles.doe.mass.edu/ssdr/default.aspx?orgcode=04890505&orgtypecode=6&=04890505&>) indicates that Sturgis has an in-school suspension rate of 1.6% and an out-of-school suspension rate of 0%. These numbers reflect a multi-year approach to avoiding the practice of removing students from the school arena when disciplined. Further, students receiving in-school suspension are provided access to teachers and support staff throughout the day to ensure that students are making academic progress.

Student Group	Students	Students Disciplined	% In-School Suspension	% Out-of-School Suspension	% Expulsion	% Alternate Setting	% Emergency Removal	% Students with a School-Based Arrest	% Students with a Law Enforcement Referral

Dissemination Efforts

Using the table below, provide evidence of how the school has provided innovative models for replication and best practices to other public schools in the district where the charter school is located during the 2020-2021 school year. Dissemination efforts may also include sharing innovative models and best practices to other schools, districts, and organization beyond the district where the charter school is located. There are multiple forums and activities through which a charter school may disseminate, please see the Charter School Performance Criteria for more information:

<http://www.doe.mass.edu/charter/acct.html?section=criteria>¹

Best Practice Shared	Vehicle for Dissemination (describe the method, format, or venue used to share best practices)	Who at the school was involved with the dissemination efforts? (Title)	Criteria that best aligns to the shared best practice (choose from the drop down menu)	With whom did the school disseminate its best practices? (Partners and Locations)	Result of dissemination (List any resulting artifacts, materials, agendas, or results from partners. Also indicate if the school received grant funding to disseminate and if a grant report was written.)

Mission and Key Design Elements	MVCPS Executive Director and Teachers.	MVCPS' governance approaches and school systems/structures have evolved. Also, MVCPS is now officially an IB school.

	and investigates becoming an IB school.				
IB for All	Sturgis teachers from every academic discipline participated in virtual curriculum/instruction roundtables for IB teachers from across New England.	Teachers	Mission and Key Design Elements	IB educators from across New England.	IB teachers from across New England collaborated with Sturgis teachers who implement the IB program in an inclusive and non-selective environment.
Developing an IB school and School Leadership.	Executive Director served on two remote visiting/evaluation teams at U.S. public IB high schools on behalf of IB Organization.	Executive Director	Mission and Key Design Elements	Educators at other US public IB high schools.	
Supporting Anti-Racism	Sturgis staff and students developed and ran a <i>Youth Anti-Racism Conference</i> . The conference featured a number of local and national experts, and the goals were to challenge, to teach and to provide an opportunity for our young Cape Cod leaders to walk away with tangible skills as they pursue anti-racism within Sturgis and in the community at large.	Sturgis teachers and students.	Social, Emotional, Health Needs	Students and faculty at other Cape Cod public schools.	

Academic Program Success: Student Performance

Sturgis Charter Public School's report card link is
<https://reportcards.doe.mass.edu/2020/DistrictReportcard/04890000>

International Baccalaureate Student Performance

All members of the class of 2021 graduated having taken all of their 11th and 12th grade coursework in the IB Diploma Programme, and having completed all of their IB Internal Assessments. Despite the pandemic, 97% of the class of 2021 earned IB grades in at least three courses, 64% earned IB grades in six courses, and 52.5% of the class of 2021 graduated as full IB Diploma candidates. Furthermore, 77% of the IB grades for this class were 4 or above (the highest percentage in the last decade), and eighty-seven graduates earned their full IB Diploma (the second highest number ever at Sturgis).

Academic Program

Continuing with our “IB for All” approach to academics was paramount during the pandemic. Sturgis ensured that all students were scheduled for all of the IB (and/or IB-prep) courses that they would take in a normal year. A student who chose to be fully remote all year had the same IB teacher that they would have had if they attended in-person learning. Students attended all of their classes each synchronous learning day (Monday, Tuesday, Thursday, and Friday) in order to assist with continuity and concurrency of learning, and support options were built into the Wednesday asynchronous day schedule. The IB organization created and shared guidelines for modifying/streamlining IB programming with schools, and Sturgis’ teachers worked together across our two campuses to make sure that our IB curriculum, instruction, and assessments were valid, meaningful, timely, and aligned.

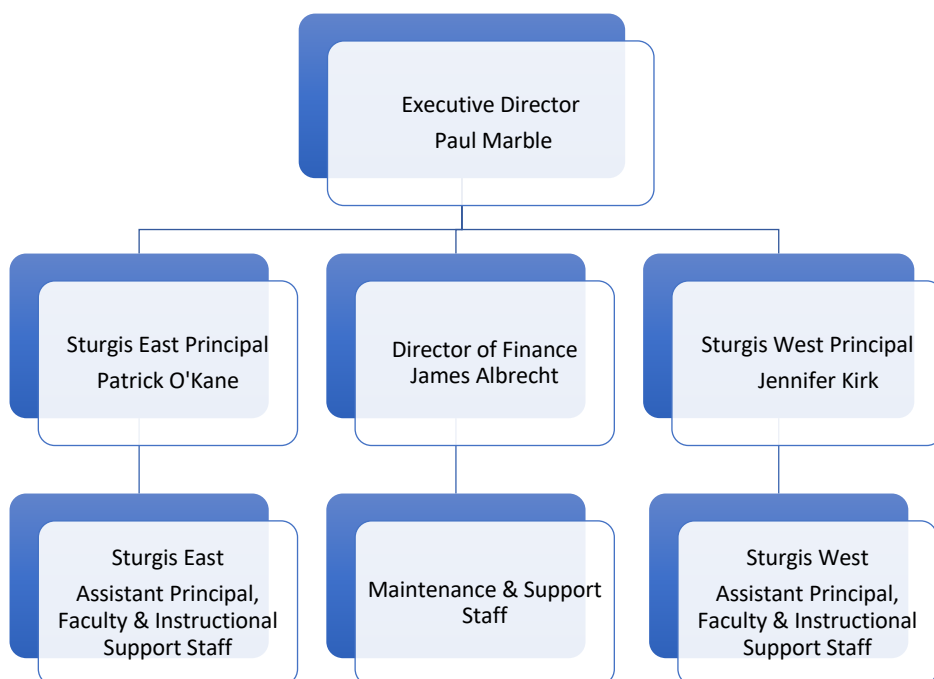

Sturgis ensured that all students were able to access the academic program throughout the 2020-21 school year by modifying and tailoring our student support processes. Firstly, we closely monitored and responded to attendance and camera-usage trends. Secondly, our Special Education, English Learner, and counseling departments created robust and flexible programming approaches, and shared these with parents and students. Also, our Student Support Teams and Child Study processes helped to monitor and respond to students who may have been struggling. As a result of the close attention to student learning and achievement, only 3% of students chose to leave Sturgis throughout the year, and our rate of student failing year-end grades only increased by 40% over the three-year pre-COVID average.

Sturgis ensured physical safety via highly regulated in-school masking, sanitizing, ventilation, and seating/grouping/cohort processes; carefully monitoring in-school, community, and statewide COVID trends; and maintaining a steering committee for COVID-related decisions.

To respond to student need after the 2020-21 academic year, Sturgis teachers are giving careful consideration to first semester planning in light of the evidence indicating that many students struggled academically. Departmental and faculty work time will consistently emphasize monitoring of student work and progress, and response-to-intervention. Also, Sturgis has added a third school adjustment counselor.

Organizational Viability

Organizational Structure of the School

Multiple Campus Organizational Structure:

Prior to the opening of Sturgis West, the Sturgis Board of Trustees adopted the following Equity Policy:

“It shall be the policy of Sturgis Charter Public School that all campuses governed by the Board of Trustees shall be allocated, as much as possible, equitable resources, including but not limited to: the educational program; mission of “IB for All”; faculty, student/faculty ratio; size and type of facilities; activities; sports; and administrative staff. Minor differences may exist between campuses due to student interests and needs”.

The Board of Trustees regularly receives updates on campus equity. At every board meeting, a faculty report and an Executive Director report is given to provide updates. In addition, data presentations – both MCAS and IB – are given annually with data de-aggregated by campus. Each May, the Board receives the results of the yearly faculty, student and parent surveys that are separated by campus for comparison’s sake.

Teacher Evaluation:

The system for evaluating teachers has not changed from last year.

D. Capital Plan for FY22

The William Sturgis Foundation purchased 441 Main Street in Hyannis in June of 2019 without financing. This approximately 12,000 square foot building was previously a bowling alley and is adjacent to the main building of Sturgis East. By completing a renovation of 441 Main Street, Sturgis will not need to rent space across Main Street nor have students crossing Main Street during and between classes.

The Designer Selection Board assigned our architect for this project. A preliminary study was prepared, and the project went out for public bidding. Scheduled to be complete by late summer/early fall of 2021 at an estimated renovation cost of \$3,300,000, Sturgis and The William Sturgis Foundation will finance the project through a fixed-rate loan from TD Bank. We do not have a capital project reserve account.

Additional Information

Appendix A: Accountability Plan Evidence for 2020-2021

Objectives and Measures related to Mission and Key Design Elements

	2019-2020 Performance (Met/Partially Met/Not Met)	Evidence
Objective: <i>Sturgis will offer an International Baccalaureate (IB) for All coursework experience for all students.</i>		
Measure: <i>Annually, 85% of seniors will take at least 6 IB exams.</i>	Not met	64% of the class of 2021 took at least six IB exams.
Measure: <i>Annually, for seniors who do not take at least 6 IB exams, the average number of IB exams taken will be 4.6.</i>	Met	For seniors who did not take at least 6 IB exams, the average number of IB exams taken was 5.1.
Measure: <i>Annually, 66% of seniors will qualify as full IB Diploma candidates upon graduation.</i>	Not met.	52.5% of the class of 2021 qualified as full IB Diplomas candidates at graduation, a number impacted by the pandemic.
Objective: <i>Sturgis will seek to ensure college preparation and readiness for all students.</i>		
Measure: <i>Annually, 90% of graduates will enroll in post-secondary education for the following fall semester.</i>	Met	DESE has not released data for the class of 2020. For the most recent class tallied, 93% of the class of 2019 enrolled in post-secondary education for the following fall semester. Interestingly, 98% of economically disadvantaged graduates from 2019 were enrolled.
Objective: <i>Students focus on developing the traits in the IB Learner Profile.</i>		
Measure: <i>Annually, with a student response rate goal of at least 80% of all students, each year an average of 85% of students surveyed will strongly agree or agree that Sturgis has had a positive effect on developing their own IB Learner Profile Traits.</i>	Not Met.	Due to COVID-19, Sturgis did not administer our typical yearly surveys.

Objective and Measure related to Dissemination

Objective: Partner with a local school district regarding academic programming.		
Measure: During this term of our charter, Sturgis will work to identify best practices, establish a school partner, and collaborate with a school partner.	Not Met	Not met yet because data is not available for specified years.
Measure: By the end of Year 2 (2019-2020), Sturgis will develop a preparation template that reflects best practices for providing access to rigorous coursework for English Learner students	Met	Template is included at end of Annual Report.
Measure: By the end of Year 3 (2020-2021), Sturgis will identify a public school partner with whom to share best practices around for providing access to rigorous coursework for English Learner students.	Not Met	Not met yet because of impact of COVID-19.
Measure: By the end of Year 4 (2021-2022), Sturgis will collaborate with our partner school to share best practices for providing access to rigorous coursework for English Learner students.	Not Met	Not met yet because data is not available for specified years.

Recruitment Plan

2020-2021

School Name: Sturgis Charter Public School

2020-2021 Implementation Summary:

Our recruitment strategies have contributed to the consistently strong percentage of our ninth-grade class receiving special education services.

Unfortunately, our recruitment strategies did not result in greater success in recruitment of students from LEP/EL or economically disadvantaged populations.

As has historically been true, the significant number of siblings enrolled in the entry class impedes the success of our efforts to recruit students from subgroup populations.

Describe the school's general recruitment activities, i.e. those intended to reach all students.

General Recruitment Activities for 2021-2022:

- Ads in local newspapers in all towns in our region
- Sturgis information table will be available at community events and centers
- Evening Information Sessions during enrollment period in December-January
- Tours of the East + West Campuses during enrollment period in December-January
- Students invited to shadow a Sturgis student for a half or full day
- Optional individual parent/student meetings with school leaders
- Trilingual recruiting flyers in English/Portuguese/Spanish sent to all grade 8 & 9 families in our region
- Trilingual recruiting flyers will also be distributed at community centers, food pantries, and housing assistance centers that serve low income and limited English families
- Statements at our information sessions and in the trilingual recruiting flyers affirm that low income and special education students, and English Language Learners are very welcome at Sturgis and will be well-served at our school, regardless of their academic skills
- Statement included on the application that Sturgis does not use in the admissions process information on the application regarding home language, English proficiency, race/ethnicity, income level, or special education.

Recruitment Plan –Strategies
List strategies for recruitment activities for each demographic group.

Special education students/students with disabilities

(b) 2020-2021 Strategies

- A special education student and teacher will be on the panel of presenters at each prospective parent and student Information Session.
- The Special Education Coordinator will meet with parents and students requesting information about special education services.
- The Right to Attend document regarding special education will be attached to each application.
- Maintain a comprehensive Special Education section on our school website under About US that includes FAQ, video clip interviews with students, quotes from classroom teachers, special education staff, and parents, in addition to articles about the special education program at Sturgis and special education in general.
- Develop ongoing liaisons with local support groups such as the Cape Cod Family Resource Center to inform their personnel regarding the quality of educational experience that the school offers to students who face significant challenges.
- Advertise and hold dedicated Special Education Information Sessions for interested 8th graders and their parents during the enrollment period, led by SPED personnel and current Sturgis students on IEPs.
- Sturgis East and Sturgis West will host student-guided tours for interested eighth grade students and their parents. These events are held at night and include Special Education personnel and Sturgis students on IEPs.
- Special education staff and parent members of Sturgis' Special Education Parent Advisory Council reach out to make contact with members of SPEDPAC groups at area schools, attend their meetings, and provide the parents in attendance with information and flyers. This practice would hopefully help to change data within 1-2 years.

(c) 2021-2022 Additional Strategy(ies), if needed

- Sturgis will create a full-time administrative position focused on equity and student support, and that person will assist with creative recruitment of students from key demographics.

English learners

(b) 2020-2021 Strategies

- For students and families who are LEP and contact the school regarding admission, an interpreter or current students and parents who speak the language of the student and/or family will contact the student/family to mentor them in the process of admission.
- Recruiting brochures and bilingual flyers placed in community centers and Portuguese language classes that serve limited English families
- Recruiting ads will be placed in Portuguese language newspapers.
- Bilingual school leaders and students are panelists at Information Sessions.
- Separate trilingual mailing will be sent to grade 8 students and parents in districts that have significantly higher LEP student populations than Sturgis.

	<ul style="list-style-type: none"> • Sturgis has partnered with Provincetown Public Schools to arrange a shadow day where all Provincetown eighth grade students visit and attend classes at both Sturgis East and Sturgis West. • Reach out to community organizations that serve non-English speaking populations. • Sturgis planned to make school information available in newspapers published in target languages, and on radio stations broadcasted in target languages, but did not. • Sturgis staffed two leadership positions for current Sturgis teachers who speak Spanish, Portuguese, and English. These two Sturgis ambassadors were able to not only present Sturgis Information Sessions and talk with families in the Spanish and Portuguese target languages, but are developing relationships in these target languages with local Spanish and Portuguese community leaders. • Sturgis is building relationships with local EL related community groups and allowing them use of 529 Main as a gathering space. • Sturgis now has an .4 FTE EL Coordinator at each campus and an ELL Teacher at each campus. This structure nearly doubles the amount of staffing in this department from the 2018-2019 school year. Our 2 EL Coordinators and 2 ELL teachers will recruit current LEP and FLEP students and their parents to help recruit in their own communities. • Sturgis will make school information available in newspapers published in target languages, and on radio stations broadcasted in target languages.
	<p style="text-align: center;">(c) 2021-2022 Additional Strategy(ies), if needed</p> <ul style="list-style-type: none"> • Sturgis will create a full-time administrative position focused on equity and student support, and that person will assist with creative recruitment of students from key demographics.
(Low Income/Economically Disadvantaged)	
<p style="text-align: center;">(a) CHART data</p> <p>School percentage: 15.5%</p> <p>GNT percentage: 17.3</p> <p>CI percentage: 25%</p> <p>The school is below GNT percentage and below CI percentages</p>	<p style="text-align: center;">(b) 2020-2021 Strategies</p> <ul style="list-style-type: none"> • The application for free/reduced lunch placed on the school's website. • An announcement about the availability of free or reduced lunches will be sent to all prospective parents. • Private foundation grant support for transportation costs will be advertised in flyers and in newspapers and will be offered to students who qualify for free or reduced lunch. • Private foundation donations of laptop computers will be offered to students who qualify for free or reduced lunch. • Sturgis brochures and bilingual flyers will be placed at food pantries, Transition Assistance offices, Boys & Girls Clubs, Department of Transition Assistance offices, Career Opportunities office, Housing Assistance Corporation office, and low income housing complexes, thrift shops, and the Salvation Army. • Anonymous testimonials from parents of low income students will be included in bilingual flyers and on the website.

	<ul style="list-style-type: none"> • Through Sturgis' aforementioned partnership with Provincetown Public Schools, Sturgis aims to better target its recruitment of students who are economically disadvantaged. • We will make our application available to families residing in low-income housing developments throughout our sending regions. • During the 17-18 school year, the Sturgis Board of Trustees voted to provide bus transportation services for economically disadvantaged students beginning in the 2019-20 school year. During the 18-19 school year, Sturgis applied for the proper amendments with the DESE, built the necessary transportation programming, and advertised this option for qualifying students during the enrollment period. • Sturgis waives parking fees for students who qualify for free/reduced lunch. • Sturgis intended to make contact with each Superintendent from our sending regions to ask for help with sharing our recruitment materials targeted to economically disadvantaged students/families, but did not do so. • Sturgis will advertise that qualifying students receive a free Chromebook, calculator, CCRTA pass, and fee waivers.
	<p>(c) 2021-2022 Additional Strategy(ies), if needed</p> <ul style="list-style-type: none"> • Sturgis will create a full-time administrative position focused on equity and student support, and that person will assist with creative recruitment of students from key demographics.
<u>Students who are sub-proficient</u>	<p>(d) 2020-2021 Strategies</p> <ul style="list-style-type: none"> • During prospective parent and student Information Sessions, presenters will emphasize the extensive amount of tutoring that is available to all students from teachers and upper classmen tutors and the success that many students have had in turning around their academic performance.
<u>Students at risk of dropping out of school</u>	<p>(e) 2020-2021 Strategies</p> <ul style="list-style-type: none"> • The school will emphasize at student and parent Information Sessions and in promotional flyers small class size, during and after school tutoring support, low student/counselor ratios, and its success with students who previously faced significant challenges.
OPTIONAL <u>Other subgroups of students who should be targeted to eliminate the achievement gap</u>	<p>(g) 2020-2021 Strategies</p> <p>For four of the past five school years, the school hosted Portuguese language and Brazilian culture classes for Brazilian families who are interested in maintaining their facility with the Portuguese language and their understanding of Brazilian culture. During these weekly classes, Sturgis distributed recruiting brochures and bilingual flyers to interested students and parents and placed them at businesses serving the Brazilian community.</p> <ul style="list-style-type: none"> • The application and FAQ will be translated into Portuguese and provided on the website. • A Portuguese speaker will be available at information sessions.

Retention Plan 2020-2021

Please provide a brief narrative report on the successes and challenges of implementing last year's retention strategies from the 2019-2020 Retention Plan.

2019-2020 Implementation Summary:

Sturgis exceed its annual goal (96%) for student retention by 1.1% despite the volatility caused by pandemic.

Overall Student Retention Goal	
Annual goal for student retention (percentage):	97%

Appendix D: Additional Required Information**Key Leadership Positions:**

Position	Name
Board of Trustees Chairperson	Keith Clarke
Charter School Leader	Paul Marble
Assistant Charter School Leader	Jennifer Kirk, Patrick O’Kane
Special Education Director	Susan Voigt, Jessica Lynch
MCAS Test Coordinator	Patrick O’Kane, Jennifer Kirk

SIMS Coordinator	Joann Johnson Prygocki
English Language Learner Director	Alyssa McClorey Timoh, Christine McDowell
School Business Official	Jim Albrecht
SIMS Contact	Joann Johnson Prygocki
Admissions and Enrollment Coordinator	Rachel Todoroff and Joann Johnson Prygocki

Facilities:

The William Sturgis Friends of Education acquired 441 Main Street in Hyannis (adjacent to the main Sturgis East building) in June of 2019. This building will eventually take the place of the classrooms and office space that Sturgis has been renting across the street from the East campus for the past eight years. We hope to achieve occupancy by late summer of 2021.

Enrollment:

When is your estimated student application deadline and lottery date for students who are interested in enrolling for the 2022-2023 school year?

Action	Date(s)
Student Application Deadline	January 14, 2022
Lottery	January 21, 2022

Conditions: None

Complaints: In late summer of 2020, the Board received a request to add a student representative to the Board of Trustees. The Board discussed and reflected upon the request in a number of open Board meetings, and ultimately chose to deny the request. As an alternative, Sturgis' building Principals have begun meeting more regularly with our student council/government members to help increase communication between students and school leadership.

In April 2021, a few students attended a Board meeting (held by Zoom) and expressed their frustration with their perception of Sturgis' lack of strong vocal commitment to racial justice. Sturgis' administrators held an in-person listening session with these students in May 2021, and the Board of Trustees has been deliberating upon an appropriate response.

Attachments: Best Practices for providing access to rigorous coursework for English Learner students

Sturgis Charter Public School

Best Practices for providing access to rigorous coursework for English Learner students (Streamlined collection/compendium of strategies and approaches)

Practice	Description
International Baccalaureate (IB) for All	All English Learners have access to the same rigorous International Baccalaureate (IB) coursework as all other Sturgis students. All Sturgis students participate in the challenging IB curriculum, as it is the sole curriculum at the school, and courses offered in the 9th and 10th grade are preparing students for their IB Higher Level or IB Standard Level equivalents in 11th and 12th grade.
Sheltered English Instruction (SEI) Endorsed Teachers	<p>The ELE Coordinators monitor and support teachers who have an EL in their classroom to receive the SEI endorsement within one year of being assigned the EL. To support the teachers in receiving the SEI endorsement, the ELE Coordinators compile resources for the teachers to learn about SEI, offer study groups/Professional Learning Communities (PLC) to learn about and study for the SEI MCAS, and run the MA SEI Teacher Endorsement Course.</p> <p>For the second time, Sturgis was a vendor for the 45 hour SEI course this past spring. A total of 14 teachers have participated in the 45 hour SEI courses run at Sturgis. During the course, participants read and discuss:</p> <ul style="list-style-type: none"> - demographic and achievement data for ELs in Massachusetts - language acquisition theory - Sheltered English Instruction - academic language and literacy development in the Sheltered Content Instruction (SCI) classroom. <p>In addition, during the course, participants learned and practiced a number of SEI strategies for their classroom. For each assignment, participants had to consider the ELs and FELs in their classroom while creating lesson and unit plans that incorporated the SEI strategies and research learned about in the course. Feedback was provided along the way to ensure the participants were providing access to rigorous IB coursework for their ELs.</p>
Professional Development for Teachers	<p>Sturgis annually organizes staff-wide professional development on English Language Education (ELE) ELE and/or Sheltered English Instruction (SEI) at Sturgis. For example, in addition to an introduction to the ELE program and all ELs and FELs at Sturgis held at the beginning of the year, all Sturgis faculty and staff participated in an 80 minute workshop on ELE and SEI at Sturgis on October 2, 2019. Led by the two ELE Coordinators, the PD reviewed:</p> <ul style="list-style-type: none"> - the ELE program at Sturgis - had teachers analyze their recent lessons for language use - reflect on what academic success looks like for our ELs at Sturgis - practice a number of SEI strategies that Sturgis teachers have had success with in the classroom - consider how to incorporate more language strategies in lesson plans.
Sheltered English Instruction Model at Sturgis: Our EL students take content courses with their native English speaking peers. We make sure they are receiving Sheltered Content Instruction by supporting our SCI teachers, and using the Co-teaching model. In addition to co-teaching with SCI teachers, our English Language Development teachers also teach an English Language Development course to all of our ELs.	
Co-Teaching Model (ELD teacher and SCI teachers)	<p>Licensed ESL (ELD) teachers co-teach in each content class with our Sheltered Content Instruction teachers.</p> <p>Our co-teaching model varies per teaching team, but includes:</p>

	<ul style="list-style-type: none"> - Weekly planning meetings - ELD teacher contributes to the planning process, specifically focused on (but not limited to) language objectives, differentiation, accommodation, and modification to support ELs, and all students, in language development - Constant communication between teachers - A variety of models in the classroom such as: parallel teaching, varied grouping, assisting, team teaching
Meetings with Sheltered Content Instruction (SCI) teachers	<p>English Language Education team (ELE coordinator and ELD teacher) meet monthly with all Sheltered Content Instruction teachers to discuss items that include, but are not limited to:</p> <ul style="list-style-type: none"> - Student progress - SEI strategies for reading, writing, speaking, and listening - Crafting Language Objectives for units and/or lesson - Assessing ELs content, skills, and language development (formative and summative) - Collaboration and planning - EL progress reports
English Language Development Course and Curriculum	<p>Our ELs are enrolled in an English Language Development course either daily or several days during a cycle (hours are based on EL ACCESS scores, and level determined by department).</p> <p>Our curriculum is developed by our ELD teachers and ELE coordinators, and is based on guidance and professional development provided by DESE. We create units that focus on language objectives, WIDA standards, meaningful essential questions, and student interests and needs. We plan for students to practice listening, reading, speaking, and writing. We focus on specific language skills, using mentor texts as guides and models. We assess students using standards-based grading, so that they understand how they have progressed in the different domains (reading, writing, speaking, listening). We also use the DESE collaboration tool to support our unit and lesson planning.</p> <p>In addition, we focus on our students' personal language development goals, and individualize our curriculum as much as possible.</p>
ELD Study	<p>The English Language Development (ELD) teacher oversees the ELs' study hall in what Sturgis calls ELD Study Hall. During ELD study hall, the ELD teacher supports the ELs in their coursework from their content classes. Support might come in the form of:</p> <ul style="list-style-type: none"> - helping ELs create reference sheets - reviewing and editing writing assignments - reading and annotating assigned texts together - setting up extra help sessions with teachers - reviewing and practicing vocabulary from content classes, etc. <p>The ELD teacher is in constant communication with the content teachers to ensure that the ELs are successful in their content courses.</p>
ELD summer course	<p>The Sturgis ELE department offers a voluntary summer session for our ELs (started in summer 2019) to continue their language development and progress in reading, writing, listening, and speaking. The summer program:</p> <ul style="list-style-type: none"> - Usually meets twice a week for 4-6 weeks - Community building activities are built into the summer curriculum - Unit plans include language objectives and are focused on students' needs and interest such as summer reading texts or local Cape Cod history - Students practice reading, writing, listening, and speaking and receive feedback to guide their progress
ELD Quarterly Progress Reports	<p>The English Language Development (ELD) teacher observes the ELs in class, reviews ELs' assignments, and collects feedback from all content teachers to compile quarterly language progress reports for each EL. These reports use WIDA's Levels of English Proficiency (1-6) to give a score on each EL's</p>

	<p>language progress in each domain (reading, writing, listening, and speaking) for each content class. The reports include personalized and individual comments on the ELs' language progress on their coursework each quarter. Reports are shared with each EL, shared with the content teachers of each EL, and sent home to families to review.</p>
Communication with Families	<p>The ELE department is committed to communicating with families in the language they request.. We use in school interpreters/translators, local interpreters/translators, and the language line. We also use text, WhatsApp, in-person meetings, and google.meet.</p> <p>We communicate with families about:</p> <ul style="list-style-type: none"> - Translation/interpretation needs for written communication, in-person meeting and events (convocation, open house, etc) - Paperwork for athletics, transportation, food services - Our ELE programming (for incoming students) - Student participation in the ELE program (as an EL or FEL) - EL progress reports - ACCESS scores - Classification or reclassification <p>We meet with families (in person or virtually):</p> <ul style="list-style-type: none"> - To allow families to meet with all of the student's teachers - To review EL progress reports and ACCESS score reports - Any other time the family or department would like to meet <p>The ELE department is in constant communication with our families, often using text or WhatsApp, about students progress, assignments, communication from the school etc.</p>
